

2009 Turkey Trot: 126 Volunteers for 2,304 Runners

The 32nd annual Tidewater Striders Turkey Trot 10K and Mile was a huge success from the runner turnout, but more importantly it was a quality race event due to the volunteer support. The race was enhanced with equipment and staff from J&A Racing. Club and community volunteers turned out in large numbers (at least 126) for our neighborhood notification a month before the race, packet pickup on Wednesday evening and for race day on Thanksgiving. The following groups provided volunteers:

Cox High School Cross Country Team
Kellam High School Gymnastics Team
Landstown High School Cross Country Team
Ocean Lakes Cross Country Team
Virginia Beach Community Emergency Response Team (VBCERT)

The following is a list of the documented volunteers and there are likely others whose names we did not get. All share the gratitude of the 2,304 runners, the club and our current and future student-athletes receiving scholarship support from the Tidewater Striders:
